Parts Ordering Information

If literature or replacement parts are required, contact the source from whom the machine was purchased or contact Alliance Laundry Systems at (920) 748-3950 for the name and address of the nearest authorized parts distributor.

For technical assistance, call the number listed below:

(920) 748-3121 Ripon, Wisconsin

Serial Plate Location

When calling or writing about your product, be sure to mention model and serial numbers. Model and serial numbers are located on serial plate(s) as shown.

SERIAL PLATE
(Models starting Serial No. 1206025810)

SERIAL PLATE
(Models through Serial No. 1206025809)

This diagram illustrates the assembly of a control panel. It shows the panel being mounted onto a base structure. Callout 1 points to a screw used for mounting. Callout 2 points to the panel's edge and a mounting bracket. Callout 3 points to the panel's top surface. Two circular insets provide detailed views: one shows the internal wiring and terminal block connections, and the other shows the panel's internal structure and mounting points.

NOTE: Individual wires are not available separately. Order complete harness, or order wire by the foot. When applying terminals to wires, it is recommended that the terminals be soldered to the wires.

NOTE: Some models built after Serial No. 0904 may come equipped with one harness. If replacement of harness is necessary, replace with harness listed for model on *Wire Harnesses and Wires - Rear Control Models Through Serial No. 0904*.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
